Dockets Management Branch (HFA-305)
Food and Drug Administration
5630 Fishers Lane, Room 1061
Rockville, MD 20852

SUBJECT: Docket #98N-1038
Maintain proper labeling of irradiated foods

Please keep the prominent labeling for irradiation or irradiated foods. Any other terms would be misleading to the public. The absence of a statement indicating irradiation of foods would be deceptive because irradiation destroys vitamins and causes changes in spoilage qualities that are not expected by consumers.

We have a right to know when food has been altered by radiation.
Save our freedom of choice!

Sincerely,

Vickie Price
